HOW IT WORKS!

Proceeds stay local and will help meet critical needs in the communities we live and work in. Since 2014, this program has raised over $479,000 for our neighbors in need!

BE PART OF THE IMPACT

WHY UNITED WAY?

United Way of the Lower Eastern Shore has been creating impact, on the Lower Eastern Shore since 1944.

United Way of the Lower Eastern Shore harnesses the power of our community to advance health, education, and financial stability for all neighbors in Dorchester, Somerset, Wicomico, and Worcester counties. UWLES and our community partners help empower Lower Shore residents by addressing barriers for better health, supporting educational success for learners of all ages, and strengthening economic security for local households.

UWLES provides direct services, collaborates with stakeholders, and supports dozens of local nonprofits to strengthen the entire community, impacting 1 in every 3 neighbors annually.
