MEET ALICE

ALICE is a hardworking member of the community who is employed yet does not earn enough to afford the necessities of life.

ALICE earns above the federal poverty level, but does not earn enough to afford a bare-bones household budget of housing, childcare, food, transportation, and health care. The United Way ALICE Reports use new measures to provide a more accurate picture of financial insecurity at the state, county, and municipal level.

WHO IS ALICE?

ASSET LIMITED

ALICE has no safety net in times of crisis

INCOME CONSTRAINED

ALICE's income falls short of essentials

EMPLOYED

ALICE is working, yet not earning enough
