## MEET ALICE

ALICE is a hardworking member of the community who is employed yet does not earn enough to afford the basic necessities of life.

ALICE earns above the federal poverty level, but does not earn enough to afford a bare-bones household budget of housing, child care, food, transportation, and health care. The United Way ALICE Reports use new measures to provide a more accurate picture of financial insecurity at the state, county, and municipal level.

## ALICE IN SOMERSET COUNTY
