Lower Eastern Shore

CAMPAIGN GUIDE

A SPECIAL MESSAGE

Hello, friends!

Thank you for stepping up to help with the UWLES annual campaign! Your advocacy and support of UWLES is an investment in our entire community, helping impact 1 in 3 local neighbors since 1944! While there's been great progress over the past year, we know there are many throughout the Lower Shore who still struggle through these challenging times. Balancing stress and the impacts of inflation continue to take a toll on our neighbors and affects daily life, financial security, and physical and mental health. With the support of your workplace campaign, we can continue building a stronger community for us all.

Every donor, every dollar, every partner, advocate and volunteer - including YOU! - makes a difference. Please reach out anytime we can be of assistance.

Thank you for being a campaign champion and showing how **UNITED IS THE WAY!**

ABOUT OUR UNITED WAY

Our Mission:

United Way of the Lower Eastern Shore harnesses the power of our community to advance health, education, and financial stability.

Our Vision:

United Way of the Lower Eastern Shore envisions a community where everyone is empowered to reach their full potential.

Our Shared Values:

- Compassion - We empathize and treat everyone with dignity and respect.
- Fortitude - We have the courage and tenacity to pursue our vision and stand for the best interest of the local community.
- Inclusive - We strive to serve all members of our local community.
- Integrity - We conduct ourselves in a truthful, trustworthy, unbiased, and transparent manner.

Together, more than ever, we need to roll up our sleeves for this important work. But we can't do it alone. It takes each of us working together to create a better tomorrow for us all. **United Is The Way!**

WHAT IS A CAMPAIGN COORDINATOR?

What does a Campaign Coordinator do?

A Coordinator is a volunteer (or team of volunteers) within an organization, helping their co-workers get involved in making our community a better place by planning and executing a meaningful campaign experience for the company and their employees.

Key Responsibilities and Guidelines:

- Work closely with your CEO & UWLES staff members to raise money and awareness for local programs.
- Develop a campaign action plan including virtual or in-person presentations, goals, incentives, etc.
- Oversee internal communications with campaign team.
- Coordinate the distribution and collection of campaign materials and reporting.
- Work with UWLES to update and promote your online Workplace Campaign Portal.
- Coordinate with your payroll office to make sure payroll deductions are processed as needed.
- Promote the campaign throughout your company. You'll have a unique URL & QR Code and other resources in our online toolkit.
- Make your company campaign fun!
- Set an example by making the first pledge and sharing with your team why you support our local community through UWLES.

Qualify for Coordinator of the Year:

As the campaign year wraps up, we will select one company's coordinator(s) as the Coordinator of the Year for the entire Lower Shore Region. The following criteria must be met by August 31, 2026 to qualify:

- Host either an in-person or virtual presentation
- Host at least one engaging event to build awareness for company employees
- Include your company's leadership to set and communicate your organization's goal(s)
- ***Submit a campaign envelope that has all fields completed, including a signature.***

UNITED WAY CAMPAIGN 101

Information is **THE KEY** to campaign success! Our United Way staff can tailor a presentation to suit your schedule and needs. Presentations can be anywhere from 3-30 minutes (15-20 minutes is ideal) and can take place any time of day or night, and for any size staff group. We are always on call!

Please remember:

- Presentations are a way for UWLES to thank your employees for their support.
- Giving WILL increase after having a United Way staff or board member participate in your campaign.
- We aren't just there to raise funds, we are also raising awareness of the programs available in our community. One of those programs might help your employees.
- This is a soft ask - we never want anyone to feel pressured!

Components of a Successful Presentation

Schedule a Virtual or In-Person Kickoff and Promote it to Employees

Invite your staff well in advance, remind them often, and consider incentives to encourage participation.

Prepare Visual Aids for Employees

Make your presentation something that will keep your employees' attention. Let's get creative!

Welcome – CEO or Campaign Coordinator

Brief opening remarks and introduction. Distribute pledge forms to all employees. Having leadership express support reaffirms company's commitment.

United Way Impact – United Way Staff or Board Member

United Way can share information about our work and local impact in Health, Education and Financial Stability and answer any questions about how to donate. We're available for in-person and virtual presentations.

Speaker – Partner Agency Representative or Personal Story

One of the most impactful ways to motivate potential donors is to have someone share a personal story. Your staff liaison will be happy to coordinate this through agency partners or donors. Also, many companies find that their own employees may want to share their story if they have been helped through United Way. (TIP: employees can record a brief video message or provide a short written story to share with others)

Wrap-up – Campaign Coordinator

Make sure to thank everyone for attending and ask coworkers to consider participating. Provide information on United Way and any company incentives or fun activities. Make sure to share a deadline date.

CAMPAIGN TIPS

KICKOFF

- Set up a company-wide virtual meeting or in person, too! United Way speakers are available to join your virtual kickoff to talk about the local impact of your gift.
- You can record a video from a senior executive to be distributed electronically to all employees.

RESOURCES

- The Workplace Campaign toolkit is available online at uwles.org/campaign-toolkit.
- This toolkit includes graphics, video links, PDFs of collateral materials and more.
- Your United Way contact can guide you through all steps of running campaign as well as help you goal set, train your team, and more.

COMMUNICATIONS

- Stay up to date with our quarterly newsletter www.uwles.org/LIVEUNITEDnewsletter.
- Consolidate and coordinate outgoing communications to avoid overwhelming employees. Consider sending brief daily emails or posting on your company intranet.
- Have your Campaign Committee make individuals ask in their departments. Try phone calls, virtual meetings, or pop-ins, instead of emails. People give to people.

INCENTIVES

- Popular prizes include a day off with pay and raffles for unique experiences. If your team is mostly remote, drop off custom prize packs (based on your campaign theme) to employees at home, have food delivered or upgrade employees' home offices for a prize.
- Use a pledge receipt as entrance into a raffle or giveaway, rather than an additional cost for a ticket.
- Purchase co-branded incentive materials at <https://business.landsend.com/store/uwles/> or www.unitedwaystore.com

Need something that is not available in the online tool kit? Ask your United Way contact!

VIRTUAL EVENTS

- Find opportunities to create virtual events: have a virtual silent auction with prizes such as cards or lunch with the CEO, coordinate department quizzes and get-togethers or host a themed photo contest on your intranet.
- Empower employees to participate in virtual volunteer opportunities on their own, as a department, or as a company. Opportunities include: writing encouraging notes to healthcare providers and teachers, or making videos of yourself reading books to be shared with local non-profit agencies supporting children.
- See our special event ideas on page 9.
- Find virtual and safe in-person volunteering opportunities at ShoreGetConnected.org.

CAMPAIGN MATERIALS

- If you're unable to pass out brochures and materials, email them to your team and post them on your intranet.
- No paper pledge forms? No problem! Visit uwles.org/employeeecampaign to fill out an online pledge form. **Ask your United Way Contact for a unique QR code to your company's portal.**
- See our campaign materials at uwles.org/campaign-toolkit.

RECOGNITION & THANKS

- Send thank you e-cards from your CEO and campaign committee members.
- Highlight givers of a certain level on a team call or monthly e-newsletter.
- If possible, host an in person or virtual event for donors who give at a certain level.
- Publicize results and reiterate the impact of gifts via your company newsletter, email, intranet, or social media.

PUT THE “FUN” IN FUNDRAISING

Virtual in person fundraising ideas to boost your campaign throughout the year!

50/50 Raffle: Invite employees to buy a ticket for a chance to win money. Once raffle tickets are sold, select a winner. 50% of the ticket sales goes to the winner and 50% goes to United Way.

Bingo: Create Bingo cards and sell to employees. Every day, email a bingo number to all participants. The first one to reply “BINGO” wins a prize, and the game continues until all prizes are distributed. To customize, create Bingo card with phrases said during meetings or in emails, common situations that happen while working from home, etc. Add in United Way keywords or phrases, too!

Casual Days: Charge employees a small fee to wear jeans/casual wear to work. Employees can pay for several days in bulk for a discounted price.

Flamingo/Office Flocking: Place a “flock” of pink flamingos in a coworker’s yard, along with a sign that they have been flocked for United Way. They will have to pay a fee to get the flamingos removed, that amount is a donation, and then get to decide who gets flocked next. Or in the office make cut-outs of pink flamingos (or another animal!) and charge co-workers to flock other people’s offices or cubes. Take the cut-outs or plastic flamingos and decorate the flockee’s area.

Penny Wars: Divide the office by department or teams and have a money jar assigned to each. Members of each department deposit pennies, nickels, and dimes into their own jar and place quarters or “green” into the jars of the other departments. Pennies count as positive while quarters and “green” are negative. The department with the highest number (or often the case, the least negative number) wins a lunch provided by the company, and the money collected is donated to UWLES.

Photo Contests: Have employees provide photos (baby photos, pet photos, in costume). Contestants pay to match employees to their pictures, or to vote for their favorites. The employee with the highest number of correct matches/votes wins a prize.

Scavenger Hunt/Trivia: Create a scavenger hunt around the office or for employees to complete at home or the office, or set up a virtual or in person trivia night with questions about UWLES or your campaign.

Sell Kits for Your Desk: Put together kits for employees to purchase and keep at their desk. Kits could be “germ buster kits” with tissue, hand sanitizer, etc. or “super snack kits” with candy and snacks.

Spirit Week: Use this high school throwback for a full week of virtual fun; pay a set amount to participate in things like Crazy Hair Day, Favorite Team/Jersey Day, Hat Day, Company Color Day, Opposite Day, Fun Zoom Background Day. . . you get the idea! Set a time for a virtual call to show your spirit, or just let it show in video meetings. Raffle a prize at the end of the week for all who participate.

Seeds Sale: Sell packets of seeds in the spring for employees to plant (either at home or in pots on their desks)

All cash or check donations must be turned in to their coordinator with their pledge forms. Coordinators will collect all cash and checks and submit via campaign envelope.

Voluntary Giving Policy

An individual's choice of whether or not to contribute, as well as how much to contribute, is at the very basis of the United Way philosophy. The following principles outline United Way of the Lower Eastern Shore's commitment to voluntary giving:

- Any use of pressure or coercion is unethical, and does far more harm to our organization and those we serve than any short-term gains it may produce.
- While 100% participation can be a fun statistic to celebrate, ask that donors participate to **help make a difference**, not as part of a quota.
- Contributing to United Way of the Lower Eastern Shore should be presented as an opportunity to help the community.
- The most effective workplace campaigns are the result of employee education about United Way and its partners.
- All donations, in any amount, make a difference. Everyone, whether they choose to give or not, should be kindly thanked for their gift or consideration.

FREQUENTLY ASKED QUESTIONS

UNITED WAY
Lower Eastern Shore

What is United Way of the Lower Eastern Shore, and how is it different from United Way Worldwide?

UWLES is an independent, local, 501(c)3 non-profit organization established in 1944 in Wicomico County, MD. Our independence allows us to focus on the needs of the counties we serve (Dorchester, Somerset, Wicomico, and Worcester) to strengthen Health, Education and Financial Stability for all neighbors. We are a member of the United Way Worldwide network, which provides cost saving services, support, advertising and brand recognition.

Who is the United Way's team comprised of?

UWLES is governed by a local volunteer Board of Directors who represent all communities served on the Lower Eastern Shore.

Meet the 2025-2026 Board of Directors at www.uwles.org/team.

Day to day activities such as optimizing donations, managing direct programs & collaborations, volunteer activities, supporting agency partners, processing campaigns and planning special events are handled by a small professional staff located at the Salisbury office.

Meet the UWLES Staff at uwles.org/team.

Where does my contribution go?

- Community Impact Funding: gifts are allocated to support local programs through approved partner agencies and support UWLES' direct programs and community initiatives.
- Annual contributions may be designated to an approved local United Way Agency Partner or Direct Program (\$50 minimum per designation, per agency).

- A benefit of being a member of United Way Worldwide is that we have a reciprocal program, allowing our donors to contribute to any other United Way, and allowing those not living locally to donate to us.

How does United Way decide how much to distribute to each agency?

UWLES' has a Community Impact Committee comprised of local volunteers who invest their time and energy to visit with applicants and learn about their work and programs, and review each application including budgets, outcomes, and efficiencies in meeting local needs. Funds are approved by the Board of Directors based on annual campaign fundraising and are distributed monthly to approved partner agency programs.

What is United Way of the Lower Eastern Shore's administrative rate?

UWLES' administrative rate is 22%, which is below the 25% standard to which we hold our non-profit partners, as well as the national average of 35%. For a copy of our 990, visit our website.

What about the pressure to give?

UWLES does not condone pressuring anyone to give. The decision to give is a personal one and no one should ever be pressured or coerced into giving. See our volunteer giving policy on our website or in our Campaign Guide.

How can I be involved beyond my Workplace Campaign?

There are many ways to stay engaged with UWLES all year long. We offer Affinity Groups such as Emerging Leaders, Women United, and volunteer opportunities which can be found through the Get Connected Volunteer Center at www.shoregetconnected.org. Additionally, there are many easy retirement and planned giving options available. Special events throughout the year are great opportunities to learn more about United Way's work while having fun. And don't forget to engage with us on social media!

What if I have additional questions?

UWLES staff are happy to help with any questions you may have. For additional information call the office at 410-742-5143 or visit our website at www.uwles.org or message us on socials.
