### MEET ALICE

**ALICE is a hardworking member of the community who is employed yet does not earn enough to afford the basic necessities of life.**

ALICE earns above the federal poverty level, but does not earn enough to afford a bare-bones household budget of housing, child care, food, transportation, and health care. The United Way ALICE Reports use new measures to provide a more accurate picture of financial insecurity at the state, county, and municipal level.

### ALICE IN WICOMICO COUNTY

2018 Point-in-Time-Data (new data available in 2023 due to pandemic delay)

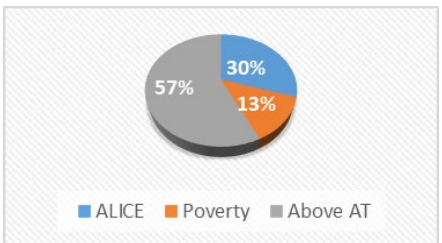

**Population:** 103,195 **Number of Households:** 38,084
